# DEDICATION

This is to someone who always listens, cares, and understands. For many of our high school years she has worked with us and for us.

We, the graduating class of 1979 gratefully dedicate this Blue Devil annual to Mrs. Phyllis Thompson for all her loving work she has given.

# THE CLASS OF '79 HONORS ITS PARENTS

Mothers and Fathers, although one page could never  
explain to you the true gratitude and love we feel,  
we would like to take this page to express our appreciation.

The days the years that passed so fast  
You gave us room to grow,  
The tender moments that we shared  
As only you could know.

How so secure you made us feel  
You kept us standing high,  
Through all our pains and happiness  
Now we must say good-bye.

You've been so very much to us  
You've always seen us through,  
And as we now become our own  
We feel so much of you.

We thank-you just for being there  
To wipe away our tears,  
Through happy ones or sad ones  
Through joyful times or fears.

When we explore and choose our road  
We know that you'll take part,  
So now we take this time to say  
We love you with all our heart.

## TO THE CLASS OF '79"

May I take this opportunity to congratulate you on reaching a milestone in your life. I appreciate the effort and cooperation you have shown me. It is my wish that each one of you will succeed in life and be a useful citizen in our society. Best wishes for a prosperous future.

## '79 EDITORS

As editors of the '79 Blue Devil, we have assumed the responsibility of recording this year's school history. It is a job which requires responsibility, time, and work. A combination of these factors creates a position of honor and reward. We have enjoyed this privilege.

We hope you enjoy and treasure this annual as much as we do. It has been possible through the efforts of the journalism class and Miss Jackson, our sponsor. Thanks to these people for their effort and cooperation.
